Rev. 4/13

FOOD SCIENCE AND TECHNOLOGY

SF152

SCORESHEET

Name _____

County_____

Exhibit shows the connection between food and science as it relates to food preparation, food safety, or food production.	Excellent	Good	Needs Improvement
IDEA Simple, clear message.			
LETTERING For poster or presentation, readable from a distance; size in proportion to art. For exhibit display or written report writing is neat and legible.			
ARRANGEMENT Makes good use of entire poster, pages of a computer based presentation, exhibit display, or written report without being too crowded.			
COLOR Bold colors that harmonize well; colors that are legible.			
QUALITY OF CONSTRUCTION Neatness; appropriateness of materials used.			
OVERALL EFFECTIVENESS How well it shows the connection between food and science.			

Comments: **RIBBON PLACING:** **P B R W**

Extension is a Division of the Institute of Agriculture and Natural Resources at the University of Nebraska–Lincoln cooperating with the Counties and the United States Department of Agriculture.

The 4-H Youth Development program abides with the nondiscrimination policies of the University of Nebraska–Lincoln and the United States Department of Agriculture.
