Introducing the Nebraska 4-H VOLUNTEER RECOGNITION PROGRAM

Nebraska 4-H is excited to introduce the 4-H Volunteer Recognition Program, designed to complement the tradition of recognizing outstanding volunteers and provide a standard and consistent approach to volunteer recognition across Nebraska. The purpose is to provide a base for Extension staff to sustain volunteers, build leadership potential, and offer recognition and praise for the great work of volunteers. The Program will allow counties to select the components that fit their needs.

COUNTY AWARDS

County award winners will be selected by a local committee from the pool of nomination forms received. Adult and youth volunteers may be nominated. The number of awards given in each category will be determined by the county.
