

## We Protect Staff, Volunteers & Youth Nebraska Chaperone Training

Safety and youth protection in 4-H programming is something that must be a conscious part of planning for 4-H trips and activities. We can no longer assume that because the trip is 4-H related that it is safe. 4-H staff, and volunteers need to understand the potential risks that can cause personal harm or harm to a 4-H member for whom they are responsible.

The We Protect Staff, Volunteers and Youth Nebraska Chaperone Training is required for all UNL Extension staff and volunteers who are chaperoning 4-H members during 4-H overnight educational events and activities. After reviewing the course material, please complete the quiz to receive proper certification and permission to chaperone 4-H youth. This

certification is good for three years; however, we recommend that you review the site periodically to keep your skills sharp.

### We Protect Staff, Volunteers and Youth Online Course

Participants in the We Protect Staff, Volunteers and Youth Online Course will:

- Understand the role of staff and volunteers in protecting youth and adults during 4-H trips, events, and activities.
- Recognize the importance of youth protection for 4-H trips and activities.
- Be able to use a process for creating and managing a safe environment for all involved in the 4-H program.

Internet access and an email address is required for the self-directed, online course. To enroll, follow the following steps:

1. Go to <http://campus.extension.org>
2. Under Course Categories - Click on 4-H & Youth
3. Scroll down and find: We Protect Staff, Volunteers & Youth - Nebraska Chaperone Training Course and click on it
4. On the right hand side, find Fill Out the New Account Form and click on Create My New Account.
5. Complete the Create My New Account form, an email will be sent to you with instructions.
6. Follow the directions in the email.
7. The course requires an enrollment key. The enrollment key is case sensitive: NECHAP
8. Click on Enroll me in this course.
9. The course will open and should be self-explanatory. The quiz and certificate are part of the course.
