The mission of Nebraska 4-H is to empower youth to reach their full potential working and learning in partnerships with caring adults.

INSPIRING YOUNG NEBRASKANS
A REVOLUTION OF RESPONSIBILITY

The mission of Nebraska 4-H is to empower youth to reach their full potential working and learning in partnerships with caring adults.

**did you know ...**

- In Nebraska, 1 in 3 age-eligible youth across all 93 counties were enrolled in 4-H, for a total enrollment of approximately 140,000 youth.
- Nearly 70,000 youth participated in school enrichment experiences.
- Over 42,000 Nebraska youth were members of a 4-H Club.
- Nearly 10,000 youth and adults participated in 4-H camping programs.
- Approximately 11,000 volunteers shared their time and resources with Nebraska 4-H.

Turning ideas into action, 4-H youth are becoming everyday heroes who persevere through challenges to leave lasting, positive impacts on their communities. Through the work of caring mentors, 4-H is cultivating a growing number of America’s youth to lead us in a Revolution of Responsibility. Their commitment challenges us all to join the movement toward meaningful change.

By taking part in the Nebraska 4-H Revolution, youth are preparing for a successful future by focusing on 4-H Science, Agricultural Literacy, Career Development and College Readiness, Citizenship and Leadership, and Healthy Living. The following impact statements represent responses collected from 4-H youth at many county, district and state programs. Approximately 1,400 responses were collected.

**INSPIRING COLLEGE AND CAREER READINESS**

Nebraska 4-H is helping youth focus on their future success and preparing youth to make informed decisions about their college and career path.

- After participating in a 4-H program, 83 percent said they interacted with someone working in a career area they’re interested in; an increase of 55 percent from before the program.
- Ninety-seven percent of students agreed that they now understand the value of higher education in their future.
- Eighty-four percent agreed that they understand the path to their desired career, an increase from 2011 of 21 percent.

JOIN THE REVOLUTION OF RESPONSIBILITY

The following impact statements represent responses collected from 4-H youth at many county, district and state programs. Approximately 1,400 responses were collected.
