4-H Animal Exhibitor and Animal Project Regulations

Age of 4-H Exhibitor

A 4-H animal owner/exhibitor 8 to 18 years old on Jan. 1 of the current calendar show year is eligible to exhibit in 4-H-sponsored events. Exhibitors who are 10 as of Jan. 1 may exhibit at the State Fair and at the Ak-Sar-Ben Livestock Exposition. 4-H members may be certified for state and interstate shows if they meet age requirements for that event and have properly enrolled animals.

4-H/FFA Exhibits

Any animal shown as an FFA exhibit is ineligible to show as a 4-H exhibit by any exhibitor. An animal may be nominated for show participation in 4-H or FFA, but not both.

Animal Ownership

All project animals must be owned:

- a) solely by the 4-H exhibitor, or
- b) the exhibitor in partnership with other member(s) of his or her immediate family. Only the name of the showman can be on the show entry. Immediate family is defined as members of a household, including parents, brothers and sisters, and youth in the care of the head of the household.

Certification

All 4-H rabbits must be certified on 4-HF103 Nebraska 4-H Rabbit Identification Certificate. The certificate must be submitted to the county extension office by June 15 of the current year or earlier if so designated in the county.
