

Dairy Posters Available

Due to a generous donation from the Dairy Farmers of America, the State 4-H Office has a set of 4 posters to be used in dairy education programming. The posters were developed by Dodge County Extension with information provided by the American Dairy Association and the Dairy Council of Nebraska. The posters are permanently attached to attractive black medal frames on wheels. Each poster measures 60" x 22" high, including base which measures 15" x 22". The set will be available for check-out to counties any time during the year except from August 15 – September 15 as they will be used during the State Fair. Counties will be expected to provide transportation for the set. The set must be kept together.

Extension is a Division of the Institute of Agriculture and Natural Resources at the University of Nebraska–Lincoln cooperating with the Counties and the United States Department of Agriculture.

The 4-H Youth Development program abides with the nondiscrimination policies of the University of Nebraska–Lincoln and the United States Department of Agriculture.
