Assemble a Skeleton!

Skull   Chest   Shoulder   Fore Arm   Hand

Hip   Thigh   Shin   Foot

o **TOOL**

TinkerCAD – 3D CAD Design Tool. www.tinkercad.com

o **PREREQUISITES**

-A free Autodesk account.
-TinkerCAD works best with Google Chrome and Mozilla Firefox web browsers.

o **TASK**

Using the skeleton presets available in TinkerCAD, assemble a human-skeleton in the workspace by using Move, Rotate and Scale functions. To take it further, you may pose the skeleton; for example, make it sit on a chair.
