General Information

There is a designated area near the State 4-H Camp for parking cars, horse trailers or campers. Youth riders age 12 and under must have a parent/guardian/adult chaperone riding with them. Youth must be in the care of an adult on trail rides and other activities. The National Forest requires certified weed free hay; regular hay is not allowed, due to potential weeds spreading into the forest. Certified hay will be available for a free-will offering at the site. Panel pens will be provided for participants to group horses into small groups (individual pen space is limited and discouraged due to the number of panels required).
