

2023 FONNER PARK 4-H HORSE EXPOSITION

July 15 - 19, 2023

**ART BY: Charli Wells - Phelps County
2023 Senior Division Art 1D Champion, 4-H Horse Stampede**

**ART BY: Charli Wells - Phelps County
2023 Senior Division 2D/3D Art Champion,
4-H Horse Stampede**

About the Covers...

The covers for the State 4-H Horse Exposition are chosen during the Art and Photography Contest at the 4-H Horse Stampede. The senior division champions are chosen to have their works of art displayed on the front and back covers.

This year's front cover is by the Senior Division Art 1D (front cover) & 2D/3D (inside front cover) Champion, Charli Wells of Phelps County. The back cover was done by Senior Division Photography Champion, Shea Frink from Lancaster County.

-Congratulations 4-Her's!

Fonner Park—A Partner with 4-H

Since 1976, Fonner Park has been the proud sponsor of the Fonner Park State 4-H Horse Show & Exposition. The Association has contributed over \$700,000 to the show by providing the funding for show expenses and donating the use of the facility at no cost.

Annual Expenses Paid By Fonner Park

Show Judges	Security and Emergency Service
Show Manager & Office Support	Horse Bowl Contest
Publicity	Sponsor Top Team to the National Contest
Printing Of Programs	All Contest and Event Expenses
Computer record services	

Use of the grounds and barns, including after the show clean up, is provided by Fonner Park.

Other Community Programs supported by Fonner Park include:

Hall County Fair, numerous Livestock and Horse Shows, Shrine Circus, State Volunteer Fireman’s School, Home and Builders Show, RV Show, Custom & Antique Auto Show, Truck Driving Championships, 4th of July Fireworks, Annual Quilt Show, Bridal Show, Bull Riding & Rodeos, Boxing & Cage Fighting, Wrestling Invitational, Basketball Tournaments, Youth Ag Day, and is now home to The Nebraska State Fair.

Thoroughbred Horse Racing at Fonner Park each year makes the above programs possible. Fonner Park and its facilities are used 220 days for 251 activities and events annually.

The entire Fonner Park Staff welcome all 4-H Horse Show Participants, their parents, families and friends to the 2023 Fonner Park State 4-H Horse Show and Exposition. We look forward to hosting the Fonner Park State 4-H Horse Show for many more years to come. While attending the show this year, if we can assist you in any way, please contact us at the General Office.

NOTICE - NEBRASKA STATE 4-H HORSE EXHIBITORS

No 4-H Horse exhibitors and/or owner shall exhibit a horse at the Fonner Park State 4-H Horse Exposition that has been given in any manner whatsoever, internally, or externally, a narcotic, stimulant, depressant, analgesic, local anesthetic, or drug of any kind within 24 hours before the first scheduled event of each show day at 8:00 a.m.

Horses on prescribed treatment of phenylbutazone and/or aspirin-like products must file a statement in the 4-H Horse Show office before the horse can be shown. This statement must describe the treatment reason and be signed by an accredited D.V.M.

Show staff reserves the right to drug test any horse in any class at any given time.

The Nebraska Fonner Park State 4-H Horse Exposition are held for you, the Nebraska 4-H Horse Exhibitor. Your parents, leaders, friends, Fonner Park and the Nebraska Extension Service congratulate your efforts in qualifying and participating in these great horse shows. If you are physically able to exhibit your horse, then we expect you to also prepare your horse for all your events. Family and/or friend assistance is welcomed and expected BUT grooming, warm-up riding, etc. by persons other than the exhibitor may require immediate and appropriate action by the show superintendent and/or the Nebraska 4-H Horse Advisory Committee.

Meet the Judges

Maggie Murphy

Maggie Murphy is a current Ph.D. student at West Texas A&M University where she assistant coaches the Horse Judging team as well as reining and ranch riding for the Equestrian Team. Maggie grew up in a rural town in Colorado where she began showing and judging horses through 4-H. Following high school, Maggie moved to Canyon, Texas where she competed on the WTAMU Equestrian Team and Horse Judging team and completed her undergraduate degree in Equine Industry and Business before finishing her Master's degree in Animal Science where she studied equine nutrition. Now, Maggie is researching the equine and cattle microbiome for her doctorate degree. For the last five years Maggie has worked alongside Dr. Pipkin coaching the Horse Judging team and looks forward to giving back to associations like 4-H that encourage youth to be active in the equine industry. In her spare time, Maggie enjoys riding and training her own horses and spending time with her two dogs, Haze and Pearl.

Jamie Gross

Jamieson Gross is the Department Chair for the Agriculture Department as well as the Animal Sciences Instructor at Cloud County Community College. He also manages the School Agriculture Farm. Jamieson has spent more than 15 years working in both business and production capacity for industrial goods as well as the animal industry. Jamieson coaches Equestrian, Horse judging and Livestock teams that compete nationally. He teaches Animal Science and Ag Economics/Ag Communication classes, in addition to academically advising Agriculture students. He is the advisor for the Collegiate FFA and Block and Bridle clubs. Jamieson also coaches a Swine Show team where students exhibit pigs that are farrowed on campus and shown at the San Antonio Stock Show and the Kansas State Fair. Jamieson is a carded judge for the Pinto Horse Association and a board member for the National Collegiate Horse Judging Coaches Association.

Sheila Purdum

Dr. Sheila Purdum has been a Professor of Animal Science specializing in Non-ruminant nutrition at the University of Nebraska for over 30 years during which time she holds 2 patents, numerous scientific publications and book chapters. Dr. Purdum is a USEF WDAA "r" judge and an ADS Pleasure Show Learner judge. She is a dressage enthusiast for Classical and Western riders and driving enthusiasts as well. During 2023 Dr. Purdum is also the president of Nebraska Dressage Association celebrating their 50th club anniversary. Dr. Purdum owns S & L Stables with her husband Lyle in Bennet, Nebraska and teaches students of all ages the joy of riding with basic dressage principles.

NEBRASKA 4-H **HORSE STAMPEDE**

Display your equine knowledge!

The Nebraska 4-H Horse Stampede offers a variety of 4-H horse contests that do not require live animals, including public speaking, demonstration, quiz bowl, art, and photography contests, including both team and individual contests.

For more information, contact Grace McCarthy at gmccarthy3@unl.edu.

ANIMAL SCIENCE

Make an impact in the lives of humans and animals through innovative teaching, research and extension in animal biology and production.

As an animal science student, you are given the unique opportunity to own your education through our personalized academic programs, supportive faculty, close community and campus connections.

WORK ONE-ON-ONE

100% 1-on-1 academic advising
1:13 faculty-to-student ratio

OWN YOUR EXPERIENCE

Customize your program
Hands-on learning

OPPORTUNITIES TO GROW

6 Student clubs
7 Competitive teams
Countless internships

A VIBRANT COMMUNITY

State-of-the-art facilities
Animals on campus
Learning community

ANIMAL SCIENCE

College of Agricultural Sciences
and Natural Resources

STUDENT INTERESTS AND DEGREE OPTIONS

Students can specialize their education through our seven degree-option programs. When you find the field that's right for you, you can start taking classes that align with your passions and career goals!

Biology & Biotechnology

- + Learn aspects of animal biology and biotechnology, from the molecular level to the whole animal.

Business & Communication

- + Gain insight into the business side of animal science and agricultural economics.

Companion Animal Science

- + Discover ways you can make a difference in the ever-expanding companion animal industry.

Equine Science

- + Focus on all facets of equine science, from reproduction to management and everything in between.

Meat Science

- + Discover all aspects of the meat and food industry, from the molecular basis of meat and muscle to food safety and inspection.

Food Animal Production & Management

- + Learn and develop skills needed to produce, manage and care for livestock.

Veterinary Animal Science

- + Hands-on experience with animals and classes that you need to be accepted into veterinary school.

CAREERS IN ANIMAL SCIENCE

Graduate prepared to make an impact on the world, working in a variety of careers in animal industries.

Some titles our graduates have taken on are:

- + Farm and Ranch Manager
- + Quality Assurance Manager
- + Pharmaceutical Sales Representative
- + Zoo Manager
- + Veterinarian
- + Animal Behaviorist

HELPING YOU GET THERE

Join a supportive community for you to learn and thrive in with financial and personal support along the way.

Scholarships

- + More than \$80,000 awarded annually to eligible students
- + Multiple unique departmental scholarship opportunities available

The Hub

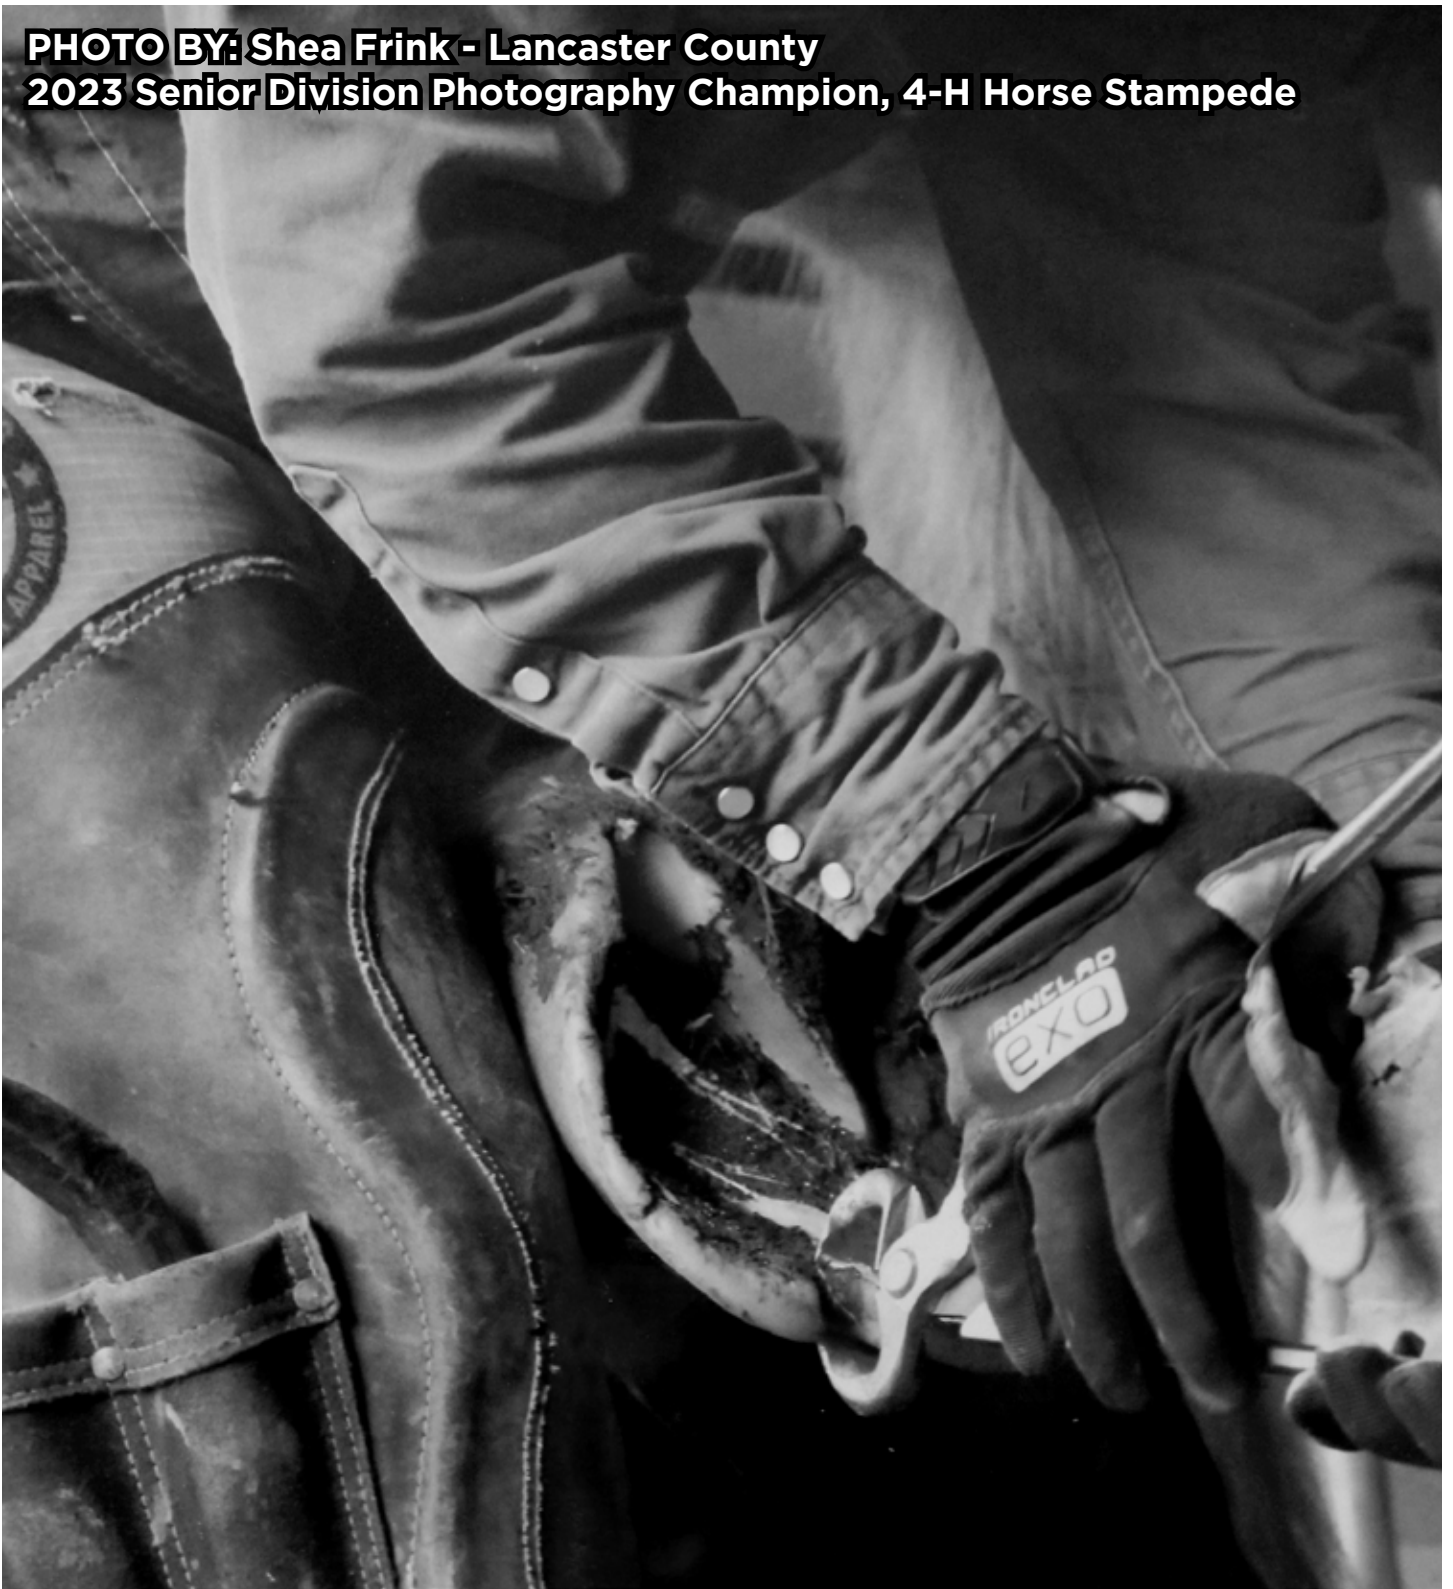

- + An open and welcoming work environment providing a space for students to study, make connections and learn about internships and career opportunities
