Presentation Contest: Illustrated Presentations

A 4-H Presentation, given by one (1) individual or a team of two (2) individuals, is a live presentation with a formal talk where youth will use visual aids (such as props, posters, computer-based visuals, handouts, video, etc.) to show and tell others how to do something. Presentations are given on a stage/platform. Judge views the entire presentation and engages in a question and answer session following presentation.

Presentation Contest: Teaching (Trade Show Exhibit) Presentations

A Teaching (Trade Show Exhibit) Presentation, given by one (1) individual or a team of two (2) individuals, is a live, interactive, trade show style presentation where youth will continuously engage a constantly-changing/moving audience for 30 minutes by showing and telling them how to do something while answering questions. Multiple (up to 6) Teaching Presentations will be scheduled simultaneously, allowing fairgoers/contest attendees to learn from many 4-H youth at one time. Teaching Presentations are given behind a table amongst 4-H exhibits. Judge occasionally stops to view presentation, ask questions, and observe audience engagement.

Digital Video – 4-H FilmFest

The 4-H FilmFest is the display of digital videos that show the recording, reproducing, and broadcasting of moving visual images; digital videos may be created by one (1) individual or a team of two (2) individuals. During the Nebraska State Fair 4-H FilmFest, youth will provide a 1-minute oral introduction (name, background/goal of presentation, intended audience, where presentation could be shared, etc.) followed by the showing of their digital video. The following digital videos may be entered in the Nebraska State Fair 4-H FilmFest: Video Public Service Announcement, Narrative, Documentary, or Animation.
