The University of Nebraska – Extension 4-H Youth Development and the Department of Animal Science are pleased to present the inaugural class of the **Nebraska 4-H Fed Steer Challenge**. The Fed Steer Challenge is a new educational contest for youth with a desire to become the next generation of leaders in the Nebraska Cattle Industry. The goal of the Fed Steer Challenge is to enhance the educational value of the traditional 4-H Market Beef Project by rewarding production merit and carcass value of the market animal, along with accurate and complete record-keeping, industry knowledge, and producer engagement by the 4-H member. For more information visit our website at 4h.unl.edu/fed-steer-challenge

Evaluating the class today, we are pleased to welcome our judge, Shawn Moss from North Platte.

Thank you to our partners from 4+ Feeders of Lexington NE, Jeremy and Gail Martin, Jake and Janice Wolfinger, and the Nebraska 4-H Foundation for supporting this event.
