

COLLEGE OF ARCHITECTURE

FACT SHEET

KEY MESSAGES

1. Graduate from UNL Architecture with the skills to influence the world through design
2. Bring ideas to life through our innovative curriculum that sculpts your creative ability into an exceptional talent
3. Learn from nationally and internationally acclaimed and award-winning faculty in a studio-based, hands-on setting
4. UNL Architecture is an exceptional value for in-state and competitive for out-of-state.
5. Come here and you can go anywhere; the College has specific study abroad experiences all over the world
6. Interdepartmental / intercollege programs

STUDENT LIFE

American Institute of Architecture Students (AIAS), Student Advisory Board (SAB), American Society of Interior Designers (ASID), Tau Sigma Delta (TSD), Alpha Rho Chi (APX), International Interior Design Association (IIDA), Student American Society of Landscape Architects (SASLA), US Green Building Council (USGBC)

COLLEGE FACTS

- 500 undergraduate and graduate students
- Each spring the College sponsors a Career Fair to aid students in finish internships and jobs with firms around the country
- Each program has Faculty Internship Coordinators to facilitate job placement.
- The College publishes Intern and Graduate Gallery books every year which are sent to more than 800 design firms around the world.
- An example of our success: 49/52 of our 2012 Master of Architecture graduating class is working for an architecture or architecture related firm!

COLLEGE SCHOLARSHIPS

- For the 2013-14 academic year, the College awarded \$50,000 in undergraduate scholarships
- Students who apply to UNL and who are admitted to the College of Architecture are automatically considered for incoming freshmen scholarships. No supplementary applications are required.

COLLEGE STORIES

Student - The Interior Design Program has a history of students winning the \$30,000 Angelo Donghia Foundation scholarship. The Interior Design program has had 8 winners since the scholarship's inception in 2001. Anastasia Czarnick, 2012 winner and Amanda Sasse, 2013 winner have used the \$30,000 scholarships to cover any expenses related to their 4th year in the Interior Design program. Expenses covered have included Education Abroad to London, new laptop computers and digital cameras, room & board, supplies, and tuition.

Alumni - Landscape Architecture: Kelsey Moline. She works for Nature Explore in downtown Lincoln designing outdoor classrooms. Nature Explore outdoor classrooms are designed all over the country at elementary schools, nature centers, arboretums, botanical gardens, parks, zoos and many more!

Interior Design: Lynette Klein. Lynette is an Interior Designer within Perkins+Will's Branded Environments group. Has worked on the designs for the Matthew Knight Arena at the University of Oregon, The Haworth Headquarters in Holland, Michigan, and the Intrepid Air, Space and Sea Museum in New York

Architecture: Nate Miller. Joined NBBJ's Los Angeles office where he was a project designer and the firm's lead computational designer. Worked on a major stadium project in Beijing. Nate joined CASE where was just promoted to "Associate Partner and Director of Architecture & Engineering Solutions. Since joining CASE in June 2012 as Director of Computational Design, Nate has been leading efforts in design strategies, complex modeling and geometric rationalization
