4-H SUMMER CAMPS & TRIPS

AGES 5-18 • OPEN TO ALL YOUTH • REGISTER AT 4H.UNL.EDU/CAMP

EXTENSION
Welcome to Nebraska 4-H Camps! We are one camp program operating in two beautiful locations that give youth the opportunity to **Discover, Learn, and Grow**. At camp, we believe in developing the whole child by providing opportunities for a life-changing experience where they hone skills for their everyday lives. Nebraska 4-H Camps are the perfect place for your child to develop new skills, build self-confidence, gain independence, take healthy risks and make new friends while in a safe, fun, and inclusive environment. 4-H is education for life while helping youth explore the science in their everyday lives, grow leadership skills, explore future career opportunities, and make healthy decisions while working and learning in partnership with caring adults. Many youth come to camp because they want to have fun, but they experience much more! Your child will come home with new friends, bolstered confidence, leadership and outdoor skills, and a lifetime of memories.

Nebraska 4-H Camps are open to **ALL** youth. You do not have to be a member of 4-H to participate. Whether a first-time camper or an experienced adventurer, outdoor enthusiast or creative artist, there is a program that is perfect for every camper.

Our commitment to quality starts with our American Camp Association (ACA) accreditation, a voluntary process of peer review of over 300 health and safety standards in all aspects of camp operations. Our staff are trained youth development professionals, most of whom are currently enrolled in classes for the fields of **youth development, education, creative arts, recreation, or environmental sciences**. Each staff member receives 2 weeks of intensive training which includes positive youth development practices, first aid, CPR, water safety, camping skills, handling homesickness, and much more. Our Camp Administration Team are leaders among our peers with over 50 years of collective experience working with youth and youth development and camping professionals.

We look forward to seeing you at camp this summer! Please do not hesitate to reach out to one of us with any questions you may have.

Happy Camping!
