

HORSEMAN WORKSHEET

LEVEL III - IN-HAND

SKILLS TEST

4-H MEMBER'S NAME

HORSE'S NAME

The 4-H'er must show proficiency at all skills listed below to pass the HORSEMAN (B)

NOTE: The entire handling portion must be done with a single horse or pony.

NOTE: Individuals who administer the Skills Test of Level 3B should realize some youth may have special needs and should use their judgement on the method of testing segments of the Level 3B Skills Test.

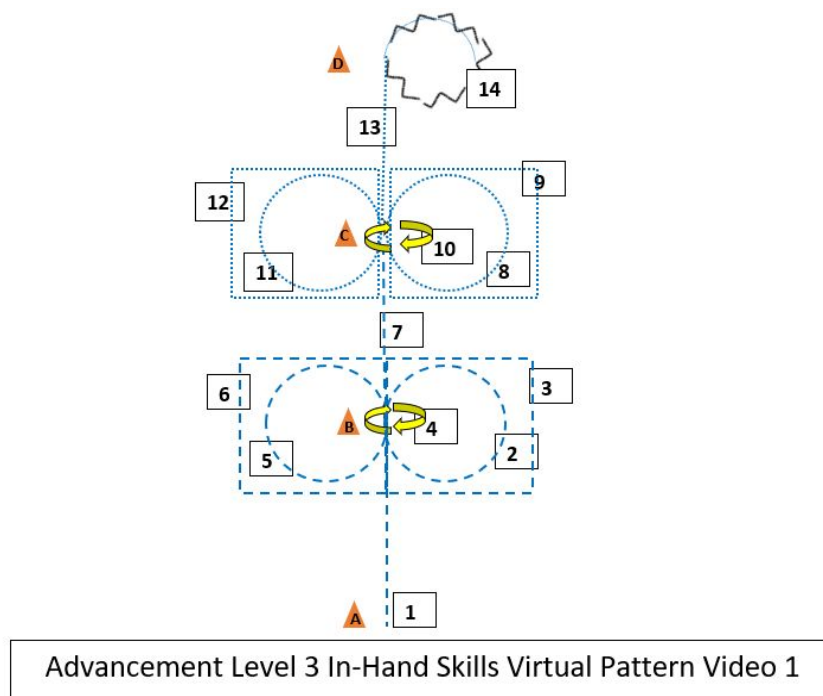

Virtual Rules and Guidelines

- Video Specifications: Each video must show a continuous shot, and clips may not be edited together. At the beginning of each video a sheet of paper needs to be held up in the camera view stating the riders name, county, date, which advancement level the youth is testing for and video number.
 - Videos made with a mobile device need to be in "landscape mode"
 - While not required, using a tripod will produce a better video
- Sound: **All videos must have the sound turned on so that the examiner can hear the normal sounds.** For example: the hoofbeat of the horse, sound of the horse's breathing, birds, wind, normal area sounds.
 - **Youth may have the camera person or another adult read the pattern to them during the video.**
 - Videos without sound will not be accepted
 - Videos may **NOT** have background music
 - No coaching or unauthorized assistance is allowed. Any coaching or unauthorized assistance detected on a video will not be accepted
 - Earphones and any kind of electronic communication devices are **NOT ALLOWED**. Use of any electronic communication will not be accepted
- Patterns: Patterns can be altered to fit the size of the area

Video 1: The video** should show a youth demonstrate the following pattern demonstrating the required skills for level 3 In-Hand

1. Starting at cone A trot to cone B
2. Cone B perform a trot circle to the right
3. Upon completion of the circle, perform a square at a trot to the right
4. Upon completion of the square, stop at cone B and perform a 360 degree pivot to the right
5. Trot a left circle around cone B
6. Upon completion of the circle, perform a square at a trot to the left
7. Upon completion of the square continue straight to cone C
8. At cone C stop, then perform a circle to the right at a walk
9. Upon completion of the circle, perform a square to the right at a walk
10. Upon completion of the square, stop at cone C and perform a 360 degree pivot to the left
11. Trot a left circle around cone C
12. Upon completion of the circle, perform a square at a trot to the left
13. Upon completion of the square continue straight to Cone D
14. At cone D stop and then back a circle to the left

Options: If you do not have cones, please use some type of marker to identify the locations of the cones in the pattern.

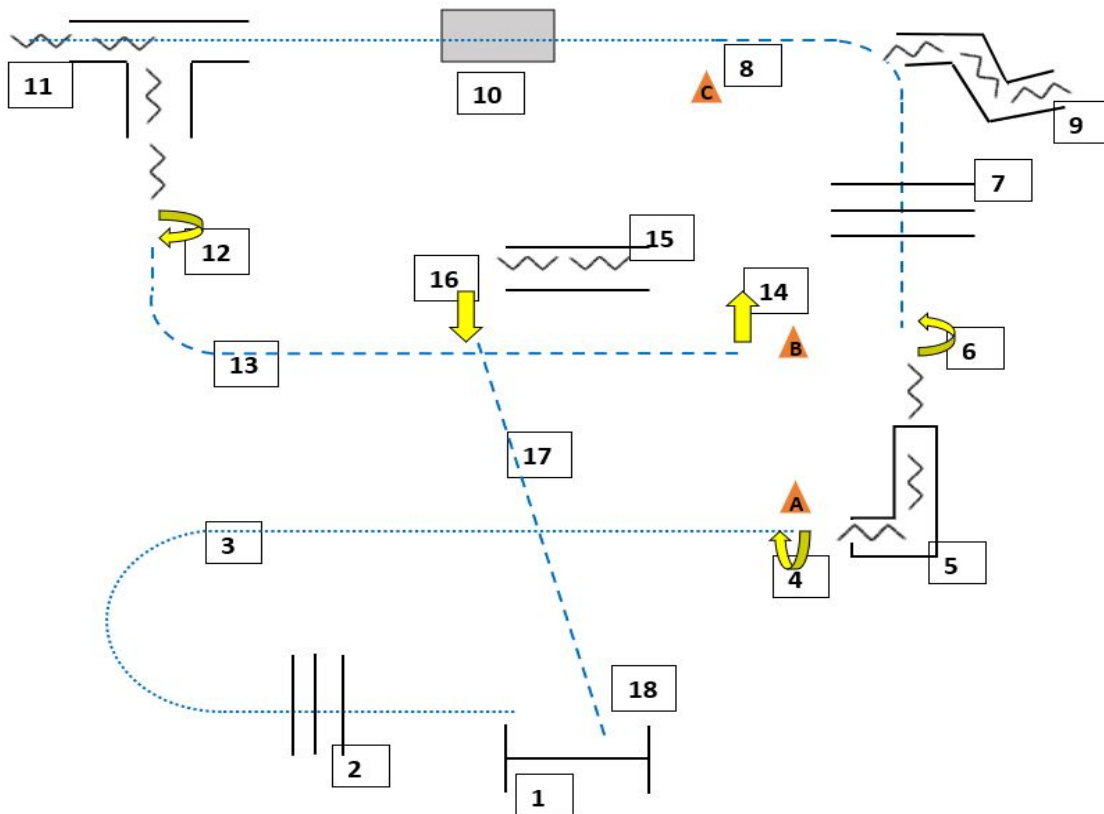

**The rider should be filmed from the profile approximately 40 ft away for the full length of the pattern

Video 3 (A&B): The video** should show a youth demonstrate the following pattern demonstrating the required riding skills for level 3 In-Hand

1. Start at gate, open and walk through gate and close gate
2. Walk straight over poles
3. In the shape of an arc turn right towards cone A
4. At cone A stop and perform a 180 degree forehand turn to the right
5. Back through the L-shape until even with cone B
6. At cone B stop and perform a 180 degree forehand turn to the left
7. Upon completion of the turn, trot over poles and turn left towards cone C
8. At cone C stop
9. Back the zig zag shape and walk back through towards cone C
10. Continue walking, walk over the bridge and through the top of the T-shape
11. Back an L-shape out of the obstacle
12. Perform a 180 degree turn on the haunches/pivot to the right
13. Turn left at a trot and continue trotting towards cone B
14. At cone B stop and side pass left (minimum 4 steps)
15. Back through the straight obstacle
16. Side pass right (minimum 4 steps)
17. Trot towards the gate
18. Gate: Open left hand, walk through gate and close gate

Pattern options:

- If you do not have cones, please use some type of marker to identify the locations of the cones in the pattern.
- If you do not have a bridge available, you may use plywood or a secured tarp
- If you do not have enough poles for the full pattern you may make 2 videos, (Video 3A & Video 3B) video A should record steps 1-8 and video B should record steps 9-18

Advancement Level 3 In-Hand Skills Virtual Pattern Video 3

**The rider should be filmed from the profile approximately 40 ft away for the full length of the pattern

Submitting your Videos

- **ALL videos must be sent in at the same time.**
- Use whichever file share service/ upload service (also known as Cloud Drive) that you prefer and email a SHAREABLE link
- Please be sure to save your videos and/or make the title of your videos with the riders (first & last) name, Advancement Level the video is over, and your county
- You may use YouTube, Dropbox, or Google Drive to name only a few as examples of file share services available for you to use
 - [How to upload a video via YouTube](#) (if using YouTube we recommend making your videos private so that others cannot search for your video)
 - [How to upload a video via Dropbox](#)
 - [How to upload a video via Google Drive](#)
 - [How to upload a video via Vimeo](#)
