

Virtual Warm Up

Camera On = **YES**

Camera Off = **NO**

Instruct youth you will be playing a warm up activity to get to know each other better. They will be using their camera feature to participate. Everyone will start with all cameras off. Explain that they will use their camera to answer “**YES**” to the statement by turning it off. They will leave their camera off to answer “**NO**” the statement.

Be sure to call on some of the youth who have their cameras on, answering yes to the statement, to share before going on to the next statement.
