

# DESIGN DECISIONS

## Develop a Budget

How much money will it take to make the changes you'd like?

Develop a personal budget. You may need to talk with your parents, guardians, or other family members to compare your dream plan with creative reality. Consider setting up a savings plan to get the money you need for a special item in your dream plan. Do you have a skill you could use to make some money? Add the budget plan to your design portfolio.
